

Legal Announcement

- I. The purpose of the MGCEX platform is to provide a professional international level trading platform for as many digital asset lovers and investors as possible, without violating the laws and regulations of the location of the platform. Any person is prohibited from using this platform to engage in all illegal transactions such as money laundering, smuggling and commercial bribery. If such an incident is discovered, the platform will have the right to freeze its account and immediately report it to the relevant judicial authority.
- II. When the local governmental organizations in MGCEX platform` location presents the relevant investigation documents and requires the MGCEX platform to cooperate with the designated users for investigation, or to take measures to seal, freeze or transfer the user's account, the platform will assist in providing corresponding user data or take other action in accordance with the requirements from the relevant organizations. And the platform does not assume any responsibility for the leakage of user privacy, account inoperability, and the resulting loss on account of the above situations.
- III. If the users of the MGCEX platform violate the local laws and regulations of the platform`s location due to violation of the

provisions of this statement, this platform, as the provider of the service, is obligated to improve the rules, terms and services of the platform and make an announcement on the platform. However, the platform has no motives of violating the local laws or regulations, and does not assume any responsibility for the user's behavior.

IV. The fact that a new user clicks the “Agree” button on the registration page of the platform and completes the registration process, and obtains the platform’s account number and password means the user has reached an agreement with the MGCEX platform, that is, user voluntarily accepts the rules and service terms of the platform’s statement and complies with the relevant laws and regulations in the location of the platform.

V. For issues not covered in this statement, please refer to relevant laws and regulations where the platform is located and where the user is located. When this statement contradicts with the laws and regulations of the user's location, the laws and regulations of the location of the platform shall prevail.

Service Clause

The ownership and operation right of each service provided by MGCEX are owned by MGC GROUP CO., LIMITED (hereinafter referred to as "MGC GROUP"). MGCEX’s user use agreement (hereinafter referred

to as "this agreement") is the relevant rights and obligations stipulated by users of MGCEX digital asset trading platform and MGC GROUP on various services of MGCEX digital asset trading platform. By accessing or using this platform, the user accepts and agrees to all the terms and conditions of this agreement. MGC GROUP acts as an MGCEX operator to provide services for users according to this agreement. All users have carefully read the contents of this MGCEX Digital Asset Trading Platform Service Agreement and the contents of the legal statements and operating rules issued by MGC GROUP. All of this agreement and the aforementioned service terms, legal declarations and operating rules are known and understood. Accepted and agreed to use it as the basis for determining the rights and obligations of both parties. If you do not want to accept the terms of this agreement, you must not visit or use this platform. MGCEX digital asset trading platform has the right to modify the terms of this agreement. Once the revised agreement is announced, it will effectively replace the original agreement. Users can check the latest agreement at any time. This agreement does not address the legal relations and legal disputes between the users of MGCEX asset trading platforms and other users resulting from the encryption of digital assets transactions.

- (4) the applicant's commitment letter.
- (5) The account's holder's death certificate.

四、User Service

MGCEX's (hereinafter collectively referred to as the platform) provides online trading platform services to users through various trading activities such as actuals and contract based on encrypted digital assets. This platform does not act as a buyer or seller to participate in the sale and purchase of encrypted digital assets and other acts related to encrypted digital assets, and the details are:

1. Actuals users have the right to browse real-time market information and transaction information of encrypted digital assets on this platform, and have the right to submit encrypted digital assets trading instructions through this platform and complete encrypted digital asset transactions. This platform allows both buyers and sellers of contract to issue trade orders for buy/sell encrypted digital assets, and the user himself decides the price of buying or selling encrypted digital assets. Users should carefully consider and issue trading instructions. Once a trading instruction is issued, it is necessary to prepare for the transaction with another user. Once the trading order is issued and the price is matched,

the transaction is binding and cannot be revoked

2. Users have the right to view their personal information on this platform and have the right to apply the functions provided by this platform to operate. At any time, users can transfer any number of encrypted digital assets in their account to other users or other users of encrypted digital assets. Even if they are not users (transferees) of the platform, transfer transactions can be initiated at any time. The legality of the user's transfer is borne by the user himself and cannot violate the relevant laws and regulations. The platform's liability is limited to the use of reasonable technical support to ensure the transfer of encrypted digital assets. When a user performs a cash-out operation of an encrypted digital asset, the platform is limited to a peer-to-peer network that ensures that instructions for transferring the encrypted digital asset are sent to the encrypted digital asset.

3. User has the right to participate in the activities according to the activity rules released by the platform and all the participants shared the same right.

五、 Use of the service

to ensure your legal right using the platform's service, you understand and agree to accept the following rules:

1. Your usage of the platform's service mean you authorize the platform to act as an agency between you and the company.

2. The company accepts instructions from you in the following two ways: First, you log in to MGCEX using your MGCEX name and password and follow this service default process to modify or confirm trading status or instructions; Second, through the mobile application, mobile browser or other official channels issued by the company. Regardless of whether or not you give instructions to the company in any of the above two ways, you cannot withdraw or revoke your decision. You should take responsibility for any results of the company's faithful implementation of the above instructions.

3. During the process of using this service, the content of this agreement, the information on the webpage about the trading operation or the information (SMS or phone) sent by the company to your mobile phone or the relevant rules of your use of this service means you use by this service, you agree to accept the relevant rules of this service.

4. The company is neither a bank nor other financial institution. The transfer of encrypted digital assets under this agreement is achieved through the corresponding network. You understand and agree that your assets are reasonable in transit time.

5. Risk:

(1) In using this service, if you or your trading instructions are wrong (including but not limited to price, quantity, etc.) and cause loss, we do

not have the right to reclaim your loss from your beneficiary, you shall take the responsibility for the loss;

(2) Any loss caused by your fault is your responsibility. The fault includes, but is not limited to the failure to follow the trading instructions, failure to conduct trade operations in time, forgetting or leaking passwords, password cracking by others, and your computer intrusion by others;

(3) When using this service, if you have unjustified gains due to potential undiscovered vulnerabilities in the platform trading rules, the platform will contact you to recover the losses of the corresponding benefit-impaired person. You must cooperate effectively, otherwise the platform will adopt recourse measures including but not limited to restricting account transactions, freezing account funds, suing the judiciary, etc. The recourse costs incurred by us due to your failure to cooperate effectively will also be yours. bear

6. Service Fees: When you use the service, the MGCEX has the right to charge you the service fees according to the MGCEX charging regulations. The MGCEX has the right to adjust the service fees and for the specific fees please refer to the announcement publicized by the platform.

7. When using this service, you should abide by relevant laws and regulations of the People's Republic of China, laws and regulations of

your country or region, and relevant international practices. You must not use this service for any unlawful purpose or use the service in any illegal way.

8. You must not use this service to engage in acts that infringe on the legal rights of others. Otherwise, the company has the right to refuse to provide the service, and you should bear all related legal responsibilities. As a result, if you cause damage to the company or the company's employees, you shall be liable for compensation. The above actions include but are not limited to:

- (1) fake other's name to use the service
- (2) engage in the illegal transactions, such as money laundering, or illegal financing or etc.;
- (3) engage in any activities that pose a threat to the platform's system.;
- (4) other inappropriate activities.。

9. When the company discovers an abnormal transaction or has any doubt on the transactions that violate the law or the agreement, the platform has the right to suspend or terminate the use of your MGCEX account (including but not limited to Payments under these account names and on-the-way transactions are subject to restrictions such as cancellation of transactions, adjustments, etc., and you are denied access to some or all of the functions of the Service.

10. The company has the right to believe that your behavior is abnormal based on unilateral judgments, including but not limited to the amount of your income or payment and the frequency of operation different from the usual, or your use of MGCEX account has the suspicion of violation Relevant laws and regulations, department rules, etc. where the platform is located, or you may not have used the account for a long time due to the user's death, you may freeze the income or payment of part or all of the money on your MGCEX digital asset trading platform account or suspend your execution based on your Part or all of the instructions sent under the MGCEX digital asset trading platform account。

If the company freezes payments or suspends execution of your orders, the company will notify you through phone, email, or text message, but the company does not guarantee that you can receive or receive the email (or text message sent to the mobile phone) in time. And the platform takes no responsibility for the consequences. In the event that the company believes that such anomalies have been reasonably explained or supported by valid evidence or have not violated the relevant laws, regulations, and departmental regulations of the site where the site is located, it will be released at the latest within 30 calendar days from the date of freezing the payment or suspending the execution of the order. Freeze or resume execution instructions.

However, the company has further reasons to believe that such anomaly may still cause losses to you or other users or the company, including but not limited to

(1) receive complaint for the abnormal activities; (2) You have substantially violated this Agreement or a separately signed service agreement, and we must continue to freeze payments or suspend execution orders based on the need to protect the interests of all parties. When necessary, the company may terminate the provision of this service without prior notice, and suspend, close or delete your MGCEX digital asset trading platform account and all related data, data and files in these accounts.

11. If you need to cancel your MGCEX digital asset trading platform account, you must first secure the consent from the platform. If the company cancels the account, it means that the agreement between the company and you has been terminated, but you should still be liable for any possible breach of contract or damages during your use of the service, and the company can still retain your relevant information.

六、 Privacy Protection
